[What's next after Osama Bin Laden?](#)

You are already done reading if you still accept, ten years into 9/11, that an Ali Baba from his perch in the Hindukush mountains can so trivially reduce the sole superpower into international barbarianism and domestic police-state, all with his magic carpet. Please spend the rest of your life chasing your 'American Dreams'. You might perhaps also prefer to be [here](#) instead of studying with Project Humanbeingsfirst.org – until it's time to welcome the next Super Ali Baba++ when you shall once again have the great pleasure to 'United We Stand' with your president, or, run frantically like the “9/11 Truth Movement” crowd trying to out do each other in what is “truth” after the fact, ex post facto, once matters are already fait accompli and world government is fully in place! The 9/11 “Truth Seekers” are still at it ten years into 9/11 ([The Toronto Hearings](#)) for what was [already obvious on day one](#), instead of focussing on what is not yet a fait accompli to prevent it from ever becoming one!

However, if your mind is unable to accept that an Ali Baba on a flying carpet possessed of

no matter what magical powers, can so easily reduce the sole superpower to the status of a vanilla third world dictatorship steeped in Orwellian NewSpeak, and you want to do something to prevent the next Super Ali Baba++ from cementing your existence in a total prison-state, please read on.

The first thing you must understand, before you can understand anything, is the role of absurdities and fait accompli in political science:

[Zahir Ebrahim: Convince People of Absurdities and get them Acquiescing to Atrocities - the first rule of hegemony when 'democracy is inimical to imperial mobilization.'](#)

And yet Al Qaeeda chose to ruthlessly murder these people, claimed credit for the attack, and even now states their determination to kill on a massive scale. Even the Financial Times now argues for world government!

Zahir Ebrahim: How to derail 'imperial mobilization' and preempt the crossing of the Nuclear Rubicon April 09, 2008

Message to the United States Congress from Project Humanbeingsfirst: It's now or never! October 02, 2008

So, why did they not act when the iron was hot?

If one wishes to comprehend why, despite all the blatant obviousness, the entire gamut of Westerndom, from its leaders who wage endless wars on terrorism to those who make much fanfare of their standing up to status-quo as leaders of dissent, and its apathetic public caught in between willingly accepting every mind-fck from their respective pied pipers, do nothing to effectively interdict the rule by oligarchy, the following candid observation suffices to coldly illuminate matters:

'The real value of Tragedy and Hope ... [is the] bold and boastful admission by Dr. Quigley that there actually exists a relatively small but powerful group which has succeeded in acquiring a choke-hold on the affairs of practically the entire human race. Of course we should be quick to recognize that no small group could wield such gigantic power unless millions of people in all walks of life were "in on the take" and were willing to knuckle down to the iron-clad regimentation of the ruthless bosses behind the scenes. As we shall see, the network has succeeded in building its power structure by using tremendous quantities of money (together with the vast influence it buys) to manipulate, intimidate, or corrupt millions of men and women and their institutions on a world-wide basis.' (W. Cleon Skousen, The Naked Capitalist, 1970, pg. 6)

SO WHO DUNNIT?

Did Osama Bin Laden & Al Qaeda do it – like the American Presidents continually assert?

Did “*hate*” of these “*bad Muslims*” cause it – like many American Muslims themselves have been led to believe?

Is this “*hate*” also causing the “*Radicalization of American Muslims*” – as congressman Peter King would still like the American public to believe in 2011?

Is this “*hate*” filled “*militant Islam*” the problem and “*moderate Islam*” the solution – as Muslim house niggers preach from the massa’s lesson plan?

Or, did the US Military carry out a *Nuclear Coup d'état* against the United States to launch its “*Clash of Civilizations*”?

Unless, “World government could only be kept in being by force”!

Zahir Ebrahim: What have I learnt?

1) “the pitiable conclusion that almost all of the dissent in the West, especially that led by the white man, is bogus!”;

2) that, The 9/11 Truth Movement is Controlled Opposition craftily combining Modified Limited Hangout (belatedly arguing a fact that was already obvious on the very day of September 11, 2001 that the US government is lying) with heavy dosage of Beneficial Cognitive Diversity (creating many HOW arguments instead of focussed political capital

to derail *imperial mobilization*);

3) whether it is dissent of *useful idiots* or vile mercenaries is IRRELEVANT -- because, like *The Antiwar Movement*, it was a priori socially engineered to be ineffective; for, in the Art of War, “*the victorious strategist only seeks battle after the victory has been won*”!!!

911 and Imperial Mobilization Redux By
Zahir Ebrahim

Prisoners of the Cave – Deception Point 911 And Its Greatest Democratic Enablers

“911 is is a point of departure for me ... I see the deliberate hands of the American-Israeli intelligence agencies and/or “**Second Foundainers**” from deep within the American ruling elite in orchestrating this **New Pearl Harbor**. For a country that can sense what is deep within the bowels of the Earth and in the farthest reaches of the heavens, that seeks “**full spectrum dominance**” of air, land, sea, space, cyberspace, et. al. in its own military doctrines, and that publicly warns in its strategy documents that the only way for it to embark on this “**imperial mobilization**” is an increased military budget that can only come about in a “**new pearl harbor**”, 9-11 has only one reality – self-inflicted. --- [Chapter 2: Don't Ever Ask “Why is it possible to hate America” Prisoners of the Cave](#)

“I am betting that when knowledge of the crime of the emperor comes to them, and their complicity in it is realized by them, that like Lady Macbeth, the American public will be torn by their good conscience, that they will be as unable to remain “**innocent of knowledge**” as Lady Macbeth, and will endeavor to right the wrongs done in their name by their

successive governments. As Arundhati Roy put it in a speech: ***“Yours is by no means a great nation – but you could be a great people – history is giving you the chance – seize the time.”*** I am betting that the conscience of its own people will prove to be the real fifth column in the United States of America. Perhaps somewhat idealistic, but it is precisely ideals that seem to be lacking in the collective wisdom of this nation, where mostly everything is viewed from the distorted prism of the pragmatic, the expeditious, the instantly gratifying, and the **“might makes right”** imperial sight. Its injection into the American polity cannot be a bad thing. I don't expect everyone to necessarily agree with my work, the point of it being not to make you agree with me, but to motivate you into examining your invisible chains in the hope that if you earnestly look for them, you will likely find them. --- [Postscript Prisoners of the Cave](#)

Wiesner, president emeritus MIT, Bulletin of the Atomic Scientists, Aug 1985, pg. 104](#)

And just as his predecessors did, [President OBAMA too reiterates who the enemy is](#), even threatening the public to not question America's official sacred story of who the enemy is, and cleverly lumping “**questioning 9/11**” with “**justifying 9/11**”

[According to ABC News: “But most interesting, in the mix, they are looking they think, at specs of steel that used to be beams and elevators, marble and the lobby floor and facings, so what were once the strongest architectural elements in the two towers, were pulverized. Large portions turned into clouds, like this one. Still there is this mystery. If some of the hardest materials were vaporized, how to account for the presence everywhere of paper. Of course, also only the sighted will ever see that from President George W. Bush to President Barrack Obama --- [More faces changed, more they remained the same!](#)

“The system is not only broken, it was crippled at birth – for it is so easily hijackable – from Wounded Knee to Iran, with new “Pearl Harbors” cleverly used for “imperial mobilization” from the USS Maine to 911 to the new nookular '911' that President Bush keeps warning the Americans and the world about in these ominous words as late as February 13, 2008: ***“Good morning [America]. At this moment, somewhere in the world, terrorists are planning new attacks on our country. Their goal is to bring destruction to our shores that will make September the 11th pale by comparison.”*** It is one continuous predatory imperative, from the **Truman Doctrine**, to the **Carter Doctrine**, to the **Reagan Doctrine**, and now to the **Bush Doctrine**. What did impeachment of Richard Nixon ever accomplish or deter, never mind restore to America's millions of untold and unaccounted victims in Asia and South America? --- [How to derail “imperial mobilization” and preempt the crossing of the Nuclear Rubicon](#)

“What is the point of this analysis and all this verbage? The point is a matter of life and death for nations. That is the point of this. Let me be very precise. **Either the United States, or Israel, are poised to attack Iran**, as noted by many commentators in the World press,... **This is March 2007. I have two imperatives before me: A) I do not wish to hear in 2010 that there was an “intelligence failure”, that it was another Gulf of Tonkin, or some other new contrivance from the imaginative and fertile mind of the hectoring hegemons.** --- [Dialog Among Civilizations – Whytalksfail When the Hectoring Hegemons Are Running It And What To Do About It](#)

Since the doctrines of aggression variously couched in Newspeak have remained the same despite the changing presidential faces in the White House, the **AMERICAN PUBLIC'S REALPOLITIK** to bravely extract their nation from the jaws of **Big Brother's Fourth Reich** also remains the [same](#):

1) Firstly, anything, including all 'nuclear terrorist acts' on American soil, or anywhere in the world, all shocking revelations by whistleblowers, all leaks in newspapers, and all phantasmal mantras that distract from the afore-stated goal, regardless of how compelling the reasons, must be treated by the unwary and gullible American public and its intellectual dissenting-chiefs, as red herrings, pretexts, and deceptions for premeditated “imperial mobilization” by their nation's

rulers.

2) Secondly, if there is reason for the United States to nuclear decimate any country or any peoples in purported 'self-defense', the American peoples must demand a ratification of the decision to go to war through a public referendum – let its great “populist democracy” speak directly in the modernity of the 21st century before it is called upon to make its sacrifices, before it is called upon to pay its taxes to fund the war, and before it is called upon to acquire innocent blood on its hands!

3) Thirdly, draw the soldiers, officers and war-technicians from the pool who vote for war! If they can vote yes to invade other nations and wantonly shatter the tabula rasa of a 'lesser humanity', then they must also first be willing to sign up for doing it themselves – instead of having a draft of economic conscription. Every 'yes' voting home in America must have at least one 'patriot' from the immediate family show up on the front-lines without exception – or their 'yes' vote is void!

911 and Imperial Mobilization Redux By Zahir Ebrahim

What is War on Terror?

But first, some latest empiricism from the BBC: Nato contractors 'attacking own vehicles' in Pakistan

(as in Operation Gladio in Western Europe during the Cold War to keep the fear of Communism alive)

First Watch Operation Gladio part1 , part2 , part3

[googlevideo=<http://video.google.com/videoplay?docid=264709845600167246>]

[googlevideo=<http://video.google.com/videoplay?docid=8697248641166616573>]

[googlevideo=<http://video.google.com/videoplay?docid=3409375633223151728>]

Top Secret: There may be times when host country governments show passivity or indecision in the face of Communist subversion ... US Army Intelligence must have the means of launching special operations which will

convince host country governments and public opinion of the reality of the insurgent danger ... US Army Intelligence should seek to penetrate the insurgency by means of agents of special assignments, with the task of forming special action groups among the most radical elements of the insurgency. --- *"I never heard such a thing"* William Colby, Director of CIA 1973-1976

Here are some straightforward definitions

War on Terror: 'Might defines right' leads to *"Hegemony is as old as mankind"*, which in turn leads to *If we don't have real enemies then we have to create or imagine some, and in either case yell 'we are being attacked'* in order to a) justify *"imperial mobilization"* and all its barbarianism upon the *"terrorists"*; and b) motivate an unwilling peoples into sacrificing for the agendas of achieving world government in the pretext of fighting terrorists in a perpetual **Global War on Terror**. To understand this visually, [watch](#) how Oceania is in perpetual war with the murdering barbarian armies of Eurasia, and [compare](#) with George W. Bush ushering in the perpetual war with *"either you are with us, or you are with the terrorists"*.

[googlevideo=<http://video.google.com/videoplay?docid=-5464625623984168940>]

[googlevideo=<http://video.google.com/videoplay?docid=-7455325731648062338>]

So, how to do this in perpetuity in order to maintain police-state in perpetuity? Because, ***“World government could only be kept in being by force.”!***

Insurgency and counter Insurgency: The American agenda for Pakistan is not a state-secret. Rather, it is only thinly disguised as perpetually fighting the “insurgents” in a lifetime of war, the World War IV. [4] Whereas, in reality, both the “insurgency”, and the “counter-insurgency”, are entirely designed and fabricated in the USA as part of the evolving tactics of Hegelian Dialectics. They are enacted on the ground by various two-bit errand boys and expert trigger pullers. The already well-known existence of black-ops assassination squads in Pakistan/Afghanistan, known to the local peoples for years as the real prime-movers behind the heinous local terrorist acts, belatedly confirmed by NYT, WP, and NYT, in August 2009. [5] See these two December 2008 reports on the Mumbai terrorist Act as reportedly orchestrated by **ALI BABA** from his perch in the Hindu Kush. [6] The arrival of the black-ops in the region is not recent, albeit the public disclosures might be.

Out of uniform and In-uniform forces: To put this ominous presence of soldiers of freedom and fortune on Pakistani soil in full black-ops context of NATO and the Western Alliance, **of diabolically manufacturing and sustaining the very pretexts out of uniform tickling insurgency to enable the in-uniform forces to pursue counter-insurgency in the perpetual mission of fighting World War IV**, it is sufficient to look at what is transpiring in IRAQ for lessons to wisely apply to one's own predicament in order to avoid a far worse one. Excerpted from [The Decapitation of Pakistan by its own Military](http://unhidden-agenda.blogspot.com/2010/09/thank-you-for-your-due-diligence.html).

But when you ask about this today of any among the “Massa” and their plentiful “House Negroes” around the world, like William Colby quoted above in the context of Operation Gladio of yesteryear, all only incestuously reinforce the white man's theme song of [9/11](#), that “**Islamofascism**” of Osama Bin Laden and the Talibans/Al-Qaeeda is the enemy.

The House Negroes further rush to clarify the distinction between “**good Muslim**” and “**bad Muslim**” ostensibly to distance themselves from the “enemy”, but in actuality only lending further credence to the existence of the enemy and its threat in full service to the “**Massa**”. The [Hegelian Dialectic Militant Islam vs. Moderate Islam](#) will surely go down in history as among the greatest enablers of war and manufactured consent, rivaling and perhaps surpassing both Communism vs. Fascism and Communism vs. Capitalism of the twentieth century. It is their legatee for the twenty-first century. It is already called “*World War IV*” (see [Ex-CIA director: U.S. faces 'World War IV'](#)).

This is all what you hear on all media sources as consent is continually engineered for sustaining “**imperial mobilization**”. That's principally all there is to it.

The rest is merely the narrations of the 1001 puppet-shows built on this core-lie. Its narrators are all murderers – their hands are as soaked in blood as those who press the triggers – but only the victor's justice can ever prove that in court.

As Hitler had observed at the peak of his own hubris: “***The victor will not be asked afterward whether he told the truth or not. In starting and waging a war it is not the right that matters, but victory.***”

For ordinary people to see all this truism only requires that they overthrow their own self-interests as the House Negroes of Empire. The ubiquitous indoctrinating mantras are only as potent as people's own self-interests in believing what they are told. If not for self-interest, Realitätspeak trivially nullifies Newspeak. All human beings are capable of thought. **Try it.**

But not all are capable of giving up their self-interests.

When self-interest trumps morality, in Dante's colorful rendition: “***the hottest places in hell are reserved for those who in a period of moral crisis, maintain their neutrality.***”

All you pious peoples better believe it!

'In the summer of 2005, the commission of the European parliament for security and defense, of which I am a member, was invited to a special screening created by the Washington Center for Strategic [and International] Studies

(Slide: CSIS Debating 21st Century Nuclear Issues, Edited by Owen C. W. Price and Jenifer Mackby, subtitled Black-Dawn: Scenario-Based Exercise, dated: May 3 2004)

We were asked to watch a film which depicted what would happen in Europe, if Brussels was hit by a nuclear bomb.

Fifty thousand deaths, hundred thousand injured. The reactions of various European governments.

Suddenly, footage of Osama Bin Laden claiming responsibility for a nuclear attack on NATO headquarters comes on screen.

All members of the parliament, myself included, were rendered speechless.

American experts from the Center for Strategic Studies, were on hand to explain the action on the screen.

Then a parliamentarian finally said: *"Today we were shown a convincing demonstration of how Osama Bin Laden's image can be completely manipulated. All the Osama's we have seen over the years, may never have existed. Just as a nuclear attack on NATO Headquarters in Brussels has never taken place."*
